Green Living Areas Mission

Green Living Areas Mission Supporting Thematic Projects

- **Building** a community among Thematic Projects and facilitating resource to stakeholders, focusing on technical and strategic content.

- **Fostering** the replicability of the community know-how, innovative solutions and technical tools.

- **Amplifying** the transfer of policies by fostering dialogue among key Euro-Mediterranean policymakers and public stakeholders, for improved quality of life of citizens.

- **Assisting** Thematic Projects in strengthening implementation of their policy solutions and promoting their successful policy instruments.
