A large, stylized green graphic of a hand holding a globe. The entire graphic is composed of various eco-friendly icons, including leaves, recycling symbols, light bulbs, wind turbines, solar panels, and other symbols of sustainability. The hand is formed by a series of green shapes, and the globe is a simple green sphere with a grid pattern. The background is white.

Priority 1 Governance Projects, 1 of each per mission

Modular & Strategic Territorial Projects (MP & STP)

Thematic Community Projects (TCP)

Institutional Dialogue Projects (IDP)

produce, reuse, integrate and consolidate knowledge with the support of TCPs and feed into governance projects

bring together actors multi-level and multi-sectoral to study, test and transfer practices and results and benefit from the networks of Communities, including outside MED

optimise the conditions for knowledge sharing of MPs/STPs, enhance the value of the results and amplify collectively, including outside the programme area

mobilise regional actors, national and transregional actors to support the transfer and mainstreaming of the results of TPs, including those outside MED, supported by IDPs

amplify the dialogue with national and supranational authorities to integrate the results of the communities and improve multi-level, multi-sector, multi-level and transnational coordination, in particular outside MED
