

The Region Sud Provence-Alpes-Côte d'Azur is recruiting, in the framework of the Interreg Euro-MED 2021-2027 Programme implementation, into the Joint Secretariat a:

Communication Officer (4-months temporary contract)

Join the Joint Secretariat, a transnational body hosted by the Provence-Alpes-Côte d'Azur Region, whose main mission, in collaboration with the Managing Authority, is to manage at a transnational level the coordination, animation and promotion activities of the Interreg Euro-MED Programme.

What will your missions be?

Under the supervision of the Head of the Information and Communication Unit and the Joint Secretariat Coordinator, and in close collaboration with the other communication officers, you will:

- Implement the **communication strategy** of the Programme and its annual communication plans
- Ensure the **Programme's visibility** across diverse target audiences
- Manage and develop **online communication** (website, social media, digital campaigns)
- Produce and publishing **content** (articles, publications, newsletters, multimedia tools)
- Organise **transnational events** (conferences, thematic workshops, trainings, etc.)
- **Support projects** in their communication and dissemination efforts
- Collaborate with **communication networks** across EU cooperation programmes

Under what conditions?

- **Temporary 4-months contract** (category A of the French local civil service – “Fonction publique territoriale”)
- **Desired start date:** December 2025
- **Workplace:** Marseille, with possible travel in France and abroad

How to apply?

- **Application deadline:** 14 September 2025
- **Submission of applications:** exclusively online via the following link: [detail - Région Sud - Provence-Alpes-Côte-d'Azur](#)
- **Required documents:** CV and cover letter in English and French (two separate files)
